MONTHLY THEME:

This month we would be working in our letters C-D and we would learn a lot about THE FALL and FARM. Your kids will have the opportunity to do fun activities while learning. In addition; we would continue our regular routine during circle time of letters, numbers and shapes. We are having so much fun with our ZOO PHONICS! Take the time to ask your child about it!

REMINDERS:

We have circle time in the mornings at 9:00 am if your child arrives to school later than 9:00 they are probably missing out on our letter and number recognition.

Make sure your child is bringing a blanket for naptime. Please make sure your child can handle their own nap supplies. Large bulky items can make them difficult to store and manage. My class travels to a different room for naptime. I don't want the kids to have a hard time carrying their stuff into their nap rooms.

It's starting to get cold in the mornings, please make sure you put your kids name on their jackets; couples of kids always have the same jacket , it always happens!
